# Who we are

*Stantec is a full-service Architecture / Engineering consulting firm serving Vermont communities for over 60 years.*

*We have over 55 multi-disciplinary staff in our South Burlington, VT office focused on:*

## Services

- Transportation
- Environmental Services
- Water
- Wastewater

# Environmental Services

Stantec has over 2,600 Technical experts covering all disciplines of:

- Site Assessment and Remediation
- Management, Permitting and Compliance
- Natural Resources Protection/Restoration.

In Vermont, we're currently work with:

- Vermont Agency of Transportation on a Statewide ES Contract (e.g. Burlington Rotary Project)
- Northeastern Vermont Development Association (NVDA) EPA Brownfield Grand Project

# Comprehensive Funding Services Program

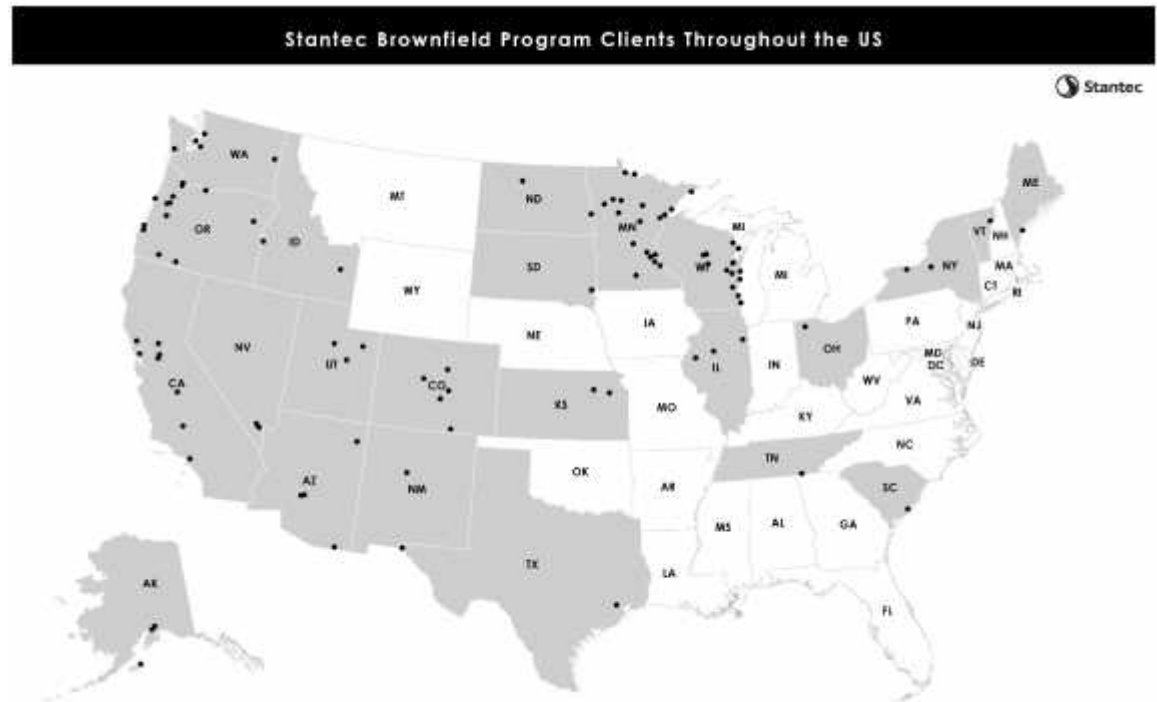

In addition to our technical expertise, we offer our comprehensive North American Funding Program (NAFP)

- Over 100 experts specializing in all types of grants and other sources of local, state, and federal funding.
- Assisted our clients in securing \$4B of funding to support a wide variety of projects:
  - Infrastructure
  - Restoration
  - Economic Development
- Includes ~30 brownfield grant specialists throughout the US.
- Assisted over 70 communities across 20 states in securing >\$40M in EPA Brownfield Grants.

**We Know Where the Money Is!**

# Stantec's Experience (Preparing Successful Grant Applications)

- City of Rochester: 2018 Brownfield Cleanup Grant - \$200,000
- Greater Syracuse Land Bank: 2019 Brownfield Assessment Coalition Grant - \$600,000 (largest in Region 2 since 2013!)
- \$7.7M of Successful Grant Applications in FY2019!

# Northeastern Vermont Development Association (NVDA) Brownfield Grant Project

In 2018 we assisted NVDA Coalition in securing a \$600,000 EPA Brownfield Assessment Coalition Grant:

- The largest award in New England in 9 years!
- Focused on redevelopment of underutilized property throughout the Northeast Kingdom.
- Over the first year of implementation, we've assisted with reuse activities on 14 properties in St. Johnsbury, Newport, Hardwick, Lyndon, Albany, and Sutton in support of the following redevelopment initiatives:
  - Housing;
  - Greenspace;
  - Commercial; and
  - Recreation.

# VTrans At-The-Ready(ATR) Contracts

Consultant contracts for work described in the At-the-Ready Consultant Categories are eligible for the At-the-Ready Consultant Services process.

Municipalities have two options, they can choose to go through the standard RFQ/RFP procurement process or through the At-the-Ready process using a pre-selected, prequalified at-the-ready consultant from a Qualified Roster prepared and maintained by VTrans. This Roster was created through a qualifications-based selection process and Stantec is approved for the following services:

- Design Services
- Municipal Project Management Services
- Construction Inspection Services

# Intersection Design

Services

Manchester  
Roundabout,  
Manchester, VT

# Intersection Design

Bristol, VT

# Stormwater

Water resources are one of our most valuable resources and we strive to conserve and manage these resources through sustainable design.

Our staff is skilled in the many facets of today's challenges for managing stormwater.

Stantec can assist communities with funding sources through stormwater utility evaluations and development.
